

**Delong Liu, M.D., Ph.D.**, Professor of Medicine

Delong Liu, M.D., Ph.D., is a Professor of Medicine and the Director of Mini-transplant Program at the New York Medical College and the Westchester Medical Center. He is also the Chief of Hematology at the Phelps Memorial Hospital Center. He is a member of the American Society of Hematology as well as the American Society of Clinical Oncology. He served as the founding president of the Chinese American Hematologist Oncologist Network (CAHON.org), and is also a board member of the Association of Chinese American Physicians. He also serves as honorary professors for Fujian Medical University, Jinan University, and Zhengzhou University School of Medicine in China. Over the past several years, Dr. Liu has trained several leading physicians, PhD students, and post-docs who returned to China and became heads of hospitals, clinical departments and leaders in pharmaceutical industry.

He received his PhD in Oncogenesis from the Mt. Sinai Medical Center, and completed residency training at the Albert Einstein College of Medicine. He had fellowship training in Oncology and Hematology at the Memorial Sloan-Kettering Cancer Center where he gained extensive experience in the management of leukemia, lymphoma, Aplastic Anemia, Myelodysplasia, and Bone Marrow transplantation. He has pioneered a novel mini-transplant chemotherapy regimen and is also leading a variety of clinical trials in leukemia and bone marrow transplantation as well as in alloimmunotherapy for renal cell cancer and selected solid tumors. He is also developing laboratory techniques to study blood stem cells, leukemia and myeloma cells as well as to characterize new chemotherapeutic and epigenetic agents. Dr. Liu has over 90 publications on these topics and lectures both domestically and internationally. He is the Editor-in-Chief of the *Journal of Hematology & Oncology* ([www.jhoonline.org](http://www.jhoonline.org)), associate editor of *The Open Leukemia Journal*, and serves as editorial board member for *Clinical Medicine Blood Disorders*, and *Asia-Pacific Journal of Oncology and Hematology*, as well as for *<白血病. 淋巴瘤> 杂志*.
