

Chinese American Hematologist and Oncologist Network
美国华裔血液与肿瘤专家学会

June 27, 2022

Dear CAHON Members,

We are greatly honored to serve CAHON and work together as the President & Board Chair of CAHON for the 2022-2024 term. We are fortunate and grateful to the outstanding leadership of Wenru Song, MD, PhD, and Chong-xian Pan, MD, PhD, MS, over the past two years who have led CAHON into a professional organization with well-defined missions and unique value contribution to serve both our members and hematology and oncology community. We look forward to continuing the momentum to help CAHON reach even greater heights.

During the COVID-19 pandemic, we continued our mission to expand our network and engage in scientific exchange. Working together with each of you and with the CAHON staff, we are committed to exploring new and innovative ways to continue to fulfill our missions to foster communication among our members, and to serve as a bridge with our colleagues in China. We are confident that we will be able to serve our members and ensure financial sustainability for the organization through these challenging times.

Now we are calling for volunteers to serve in CAHON's various committees to help CAHON to future success. Please feel free to reach out to us any time if you are willing to serve CAHON or have any suggestions or concerns about CAHON. You may also submit feedback through a form in the [members-only section of the CAHON website](#).

Thank you for your support and stay well!

Best,

Bo Zhao, MD
President of CAHON

Ruirong Yuan, MD, PhD
Chair of the Board of Directors
