Dear CAHON members and friends,

On behalf of CAHON, we cordially invite you to join the CAHON reception/meeting at 2015 ASCO Annual meeting on Saturday, May 30, 2015 in Hilton Chicago Hotel. This event will provide the opportunity for collaborations among CAHON members and invited guests as well as an ideal platform to promote oncology exchange between the West and East. Attached please find the detailed information and please RSVP at your earliest convenience. Pre-registration is required.

Over the past ten years, CAHON ([www.cahon.org](http://www.cahon.org)) has been continuing to fulfill its missions in building solid bridges for its members and for promoting Sino-US exchange in cancer care and research. Through its productive collaboration with ASCO, ASH, CSCO, SITC and most recently with AACR, CAHON aims to promote the best care and education to cancer patients and cancer care providers. CAHON has also committed for leading roles in promoting scientific communications in the field through our flagship CAHON journal - "*Journal of Hematology and Oncology*" and three other journals (*Experimental Hematology and Oncology*, *Biomarker Research*, and *Stem Cell Investigations*).

Together, it's time to celebrate, reflect, and move forward CAHON to next level. We look forward to seeing you at the reception/meeting.

Warmest regards,

Jing-Zhou Hou, MD PhD, CAHON President (2014-2016)

Wenru Song, MD PhD, CAHON Board Chair (2014-2016)
