Chinese American Hematologist and Oncologist Network
555 East Wells Street – Suite 1100
Milwaukee, Wisconsin 53202

Dear Dr. Liu:

Thank you to the Chinese American Hematologist and Oncologist Network, the Bay-Helix Group and Zenni Optical for working together to donate 700 N95 masks, 400 surgical masks and 30 pairs of safety goggles.

During this challenging time, your support of our work and our workforce is inspiring. As many have noted, the tireless and unselfish work of our clinical, operational, and administrative teams across our Network has been remarkable. They are the embodiment and deserving of the moniker Healthcare Heroes, and your support of them is notable.

On behalf of everyone at the WMCHealth Network, thank you again for all you do for WMCHealth and those in our care. Please accept our best wishes to you and your family for safety and good health.

Sincerely,

Michael D. Israel
